## INSTRUCTIONS:

1. Please provide figures for the total number of coaches across all levels in your entire program.

Example, if an individual coaches football in the fall and softball in the spring, please count him/her as two coaches.
Additionally, please separate your coaches into on-campus and off-campus.
2. "Boy Participants" and "Girl Participants" should be calculated based upon the maximum number of individuals who participated in the sport for any length of time during the 2018-19 school year.
3. "Boy Participants" and "Girl Participants" are representative of interscholastic athletics (NOT intramural or club). Count a student for every sport in which he/she participates.
4. Please provide figures for any of the listed sports offered by your high school, regardless of whether it is sanctioned by the CIF.
5. If your high school includes only 10th through 12th grades, but 9th grade students participate on your high school's teams, please include their number in the participation figures.
